Spa packages are designed for a single guest with same day services. An advanced credit card reservation is required to secure designated allotted time by salon/spa professional for spa package services. Since time is a valuable resource for all of us, we understand that there may be times when scheduling conflicts arise. Therefore, we require a minimum of 48 hours notice of a cancellation. Failure to do so will result in a 50%-100% credit card charge.

CHILDREN'S POLICY

We truly understand how challenging it is to find time to spend on yourself. However, we do enforce guidelines regarding children in our salon/spa. Children under 10 years old are welcome by appointment only. While this policy helps provide a relaxing experience for all guests, it was created to ensure your child's safety at all times. Sharp implements and hot styling tools make for a potentially dangerous environment for unaccompanied children. Please make all necessary child care arrangements prior to your visit.
